This agreement explains the school locker policy for Maskwacis Education Schools Commission (MESC). This policy applies to all students.

1. Provides lockers for students during the school year. You are required to use a school locker and can keep only your personal belongings in the locker.
2. You may only lock a school locker if you agree to use the lock provided by the school.
3. You cannot keep anything illegal in your school locker such as:
 - a. Drugs
 - b. Alcohol
 - c. Stolen property
 - d. Anything that could be used as a weapon
 - e. Anything deemed by the school or police to be a danger
 - f. Anything else illegal to possess
4. In accordance with MESC Administrative Procedure 309, even though students put locks on their school lockers, they should not have an expectation of privacy for their locker. Lockers are the property of MESC. MESC reserves the rights to open, search and inspect your school locker without notice to you if MESC has reasonable grounds to believe that you have anything listed in your locker from section 3.
5. If a MESC employee searches your locker and finds anything in your locker from section 3, a MESC employee may confiscate those items, secure them and use them as evidence for school disciplinary purposes. A MESC employee may turn those items over to the RCMP for possible criminal investigation and charges.
6. In accordance with MESC Administrative Procedure 309, RCMP may also conduct locker searches.
7. The school will announce this school locker policy during a schoolwide assembly. All students will read and sign this letter of notification. Parents and guardians will also receive written notification of this agreement.

I acknowledge that I have read and understood the above notification. I understand that I have no right to privacy for my school locker and the contents of my school locker.
