

# **314 TEMPORARY OFF-CAMPUS EDUCATIONAL SUPPORT**

## **Belief**

The Maskwacis Education Schools Commission (MESC) follows cultural and traditional teachings of the Maskwacis Cree, in particular Wahkohtowin. Wahkohtowin is the belief that all things are related and connected, that all of existence has spirit and that living in a good way requires us to maintain good relationships with each other and other aspects of existence. We recognize that respect for mother earth, elders, youth, and the Treaties are paramount to planning ahead and making decisions for future generations

MESC believes that students' needs are best met by direct instruction in the local school. However, it is sometimes necessary to provide other educational opportunities for students with unique circumstances.
