Tansi,

As you may be aware, the Alberta Ministry of Education just announced some funding reductions for Provincial schools for the months of May and June. We are also aware that MESC employees are concerned about how these cuts from the Province may or may not affect Maskwacis schools.

In our discussions with Indigenous Services Canada (ISC), we have confirmed that **MESC will not be affected by the recent Provincial cuts** as announced by the Alberta Ministry of Education. If things change in the future we will make sure to update staff as soon as possible.

During these unprecedented times, we want to assure everyone that MESC will continue to make decisions based on what is in the best interest and safety of our students and staff.

Take care and keep safe.

Ay-hay, ekosi pitama,

Brian Wildcat  
MESC Superintendent
